Our Town

Many years ago it was said, "Delmar is an easy place to come to and a hard place to leave." This is true because Our Town is a friendly town, reflecting a spirit of co-operation. Our school system is strengthened by the support it receives from the community. Our Town in turn uses the school facilities. Thus to relate the school with the community, we have chosen "Our Town" — The Town of Bethlehem — as the 1958 **ORIOLE** theme.

We have pride in Our Town as does the Chamber of Commerce. It is an enterprising organization which encourages the planting of dogwood trees to beautify Our Town, and the printing of the brochure **Our Town of Bethlehem** to publicize Our Town. We would like to thank the Chamber of Commerce for letting us reprint some of the pictures used in that booklet.

Each of the section pages reflects some aspect of Our Town. The Town Hall pictures the administrative phase, corresponding to the faculty and school administration. The Seniors are the only ones privileged to use the Main Entrance, which has become a symbol of their leadership. The Library aptly represents the Underclassmen, as they are still preparing to assume the responsibility of leaders. The Tollgate — center of student social life — symbolizes the numerous activities of school. Sports are represented by the Swimming Pool. The Four Corners typifies the Advertisements, since it is the center of community shopping.

Here is our book, presenting our administrators, our students, and our activities; yes, presenting Our Town!

You, Mr. Donald Farrell, have been our warm and understanding friend throughout our high school years. As boys' physical education instructor and coach of football, basketball, and baseball, you have helped us to grow and taught us the way to win. You have built not only strong teams, but also character and ideals. It is for these reasons that we of the 1958 ORIOLE staff dedicate our yearbook to you.

Mrs. Marston Retires

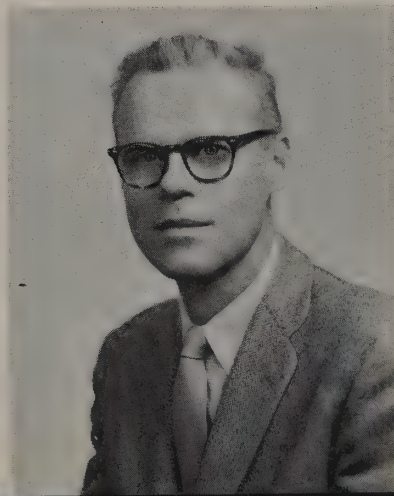

In September 1935 Mrs. Marston came to Bethlehem Central to teach art. She has given generously of her time and talent whenever she felt she could be of help. In recent years she has been Art Advisor for the **ORIOLE**. Now that she has announced her retirement from teaching, the 1958 **ORIOLE** Staff wishes to thank her and to wish her great happiness in the years ahead.

Christmas Festival

The Community Christmas Festival reminded us that "Still there is a Bethlehem." The pageant dramatized the hope and happiness brought by the birth of Christ, and the modern play showed that this hope is still with us. Songs by the musical organizations expressed the community Christmas spirit, as did the White Christmas gifts to less fortunate people in our own community and throughout the world.

VARSIITY FOOTBALL

Although the 1957 Eagles suffered two humiliating defeats in the opening of the season, they earned the respect of everyone in our Town by regaining real football spirit and going undefeated for the rest of the season. This year the team shared the co-championship of the Western Division of the Eastern Scholastic Conference with Saratoga. Much of the credit for the "Cinderella" story goes to the "Savage," known to all as Coach Guerrero; and to his assistants, Donald Farrell, Clarence Lephart, and Norbert Smalling.

Swimming Team

This year the swimming team had the best record since this sport was organized in BCSHS in 1954. They won eleven meets, lost only one, tied two, and scored first place out of fourteen schools in the Colgate Invitational Relay Championships. While piling up these impressive statistics, the team broke a total of fifty-seven pool and school records.

This impressive number of records was made by free-style whiz Spencer Ryan; breaststroker Dick Llope; butterfly breaststroker and captain, George Chesbro; diver, Dean Allen; backstroker, Sam Hazleton; freestyler, Art Taber; freestyler, Ben Berry; and backstroker, Karl Sutter.

The team earned the season's record through strength and depth in every event. Through hard work on the part of every swimmer, each one has improved throughout the year. The team was coached by Mr. Lephart.

Varsity Basketball

The varsity basketball team has had a very successful season. After winning three consecutive ball games, the squad lost three "heartbreakers" in a row, then completed the regular season with fanfare by defeating Colonie, Columbia, Guilderland, and Academy. By virtue of this 14-3 season, the team shared the co-championship of the Capital District League with Van Rensselaer.

The team had exceptionally fine balance and reserve strength both on defense and offense. Every one of the starting five was high scorer for at least one game, and their fine defense demoralized the opposing teams, who could neither make their own shots count, nor prevent one of our players from scoring.

The outside positions were filled by Captain Roger Clough, Dave Powers, and Jim Montrose. Rog Casey and Tom Willard worked under the bucket. When the need arose, the outside positions were taken over by Phil O'Hara, Don Crysler, Stu Sharpe, Ken Lake, and Larry Shultes. Reinforcement under the bucket came from George Murphy, Almer George, and Bob Lunden. This year's team was the sixth consecutive championship team coached by Mr. Farrell.

J. V. Basketball

The junior varsity basketball team had a very successful season. A record of thirteen wins and only three losses showed that in future years they will be good material from which to build championship teams. The team was coached by Mr. Norbert Smalling.

ATHLETICS

"We believe in athletics as an important part of the school physical education program. We believe that the experience of playing athletic games should be a part of the education of all children and youth who attend school in the United States.

Participation in sound athletic programs, we believe, contributes to health and happiness, physical skill and emotional maturity, social competence and moral values.

We believe that cooperation and competition are both important components of American life. Athletic participation can help teach the values of cooperation as well as the spirit of competition."

Though we pass outside her portals
When our days are through,

PRINTING OF DISTINCTION . . .

Your school Yearbook will some day become one of your most cherished possessions. Each time you thumb its pages memories will return to give you joy and pleasure. You will see the faces of old friends and chums — of campus sports and dozens of other pictures which will recall fond memories. These mementos should be preserved in an attractive cover, beautifully printed and bound. Annuals by Fort Orange Press, possess a certain beauty and distinction that experience alone can give.
